Profile Park, Grange Castle, Nangor Road, Dublin 22, Ireland

Has been assessed by Certification Europe and deemed to comply with the requirements of

ISO 27001:2013

This certificate is valid for the activities specified below:

Viatel has established an Information Security Management System (ISMS) covering physical security of its data centre facilities, provisioning & maintaining of data centre network, Colocation of Full Cabinets, Managed Services & Cloud Services including virtualised server instances with compute, storage, network, and backup capabilities.

Certification to the standard is made under the Statement of Applicability (version 8 - 09/05/2023) and Certification Europe has adjudged that the exclusions under this Statement do not compromise the integrity of the ISMS.

Certification of Registration remains the property of Certification Europe Ltd.
The validity of this Certificate is maintained on the condition that the Management System is assessed through an on-going surveillance programme and continues to adequately meet the requirements of the standard.
